

NEWS FLASH!

21st January 2024

At the Association Committee held on the 15th January it was requested that owners / tenants are to advise of any incidents within the Estate (i.e. Break ins, thefts from cars property damage and /or incidents where a police response was needed to our below AC e-mail address to allow relevant information / warnings to be passed onto the rest of the Community.

Unfortunately, over the holiday period, police were called to suspicious night time activity in Tree Tops Park , tools were stolen from a vehicle and there was a midnight incident of a car cruising Hunterford Crescent and doing a “knock and run on front doors”

We would therefore recommend that residents are vigilant and diligent in ensuring property protection (i.e. doors and cars being locked , garage doors closed and not leaving play equipment or garden tools unattended) and in their personal safety .

For non-urgent police assistance or reporting minor crime please contact the NSW Police Assistance line on.

131 444

Or for a serious accident or crime call the Triple Zero Emergency line on.
